Solicitation #: RFP P23039

Addendum Title: ADDENDUM NO. 1: SITE AND LOCATION

Date and Time Issued: 09/18/2023 06:29 AM PDT

QUESTION:

Are there any remote work opportunities for this solicitation or would SNRHA prefer onsite officing?

ANSWER:

I am not sure if remote work is an option since all the files are in the office and the confidentiality of our clients is a lot to consider. I think it would have to be a local office type of site or on-site in our office. These people may have to meet with clients.

Note: One of the files available for downloading might be a ZIP file.
