Solicitation #: RFP P23039

Addendum Title: ADDN 2: CORRECTION OF ADDN 1 AND RESPONSE TO ADDN 2

Date and Time Issued: 09/18/2023 07:34 AM PDT

QUESTION:

Are there any remote work opportunities for this solicitation or would SNRHA prefer onsite officing?

ANSWER: I am not sure if remote work is an option since all the files are in the office and the confidentiality of our clients is a lot to consider. I think it would have to be a local office type of site or on-site in our office. These people may have to meet with clients.

CORRECTION:

Regarding Addendum 1, the noted question above: Please be advised that since the SNRHA uses Rent Cafe, IT WILL BE REMOTE FOR THE HAP CONTRACTS AND RECERTIFICATIONS.

QUESTION:

Is the recertification work to be conducted onsite or offsite?

ANSWER: IT WILL BE REMOTE FOR THE HAP CONTRACTS AND RECERTIFICATIONS.

Note: One of the files available for downloading might be a ZIP file.
